Just kidding! Actually, the actual first rule, as simple as it may seem, is to make sure that you are communicating. You may think that this is just simple common sense, but in the bustle of work, school, kids, hobbies, and life in general, you might feel that there just never seems to be enough time to sit down and say, "How was your day, darling?" Also, when the time comes to sit down and talk, you might suddenly realize that you and your wife have forgotten how to communicate the things that brought you together in the first place. Now, are all married couple bound to face this fate? No! Of course not! However, you have to be willing to take the steps necessary to keep the words flowing. There are many things to keep in mind when it comes to communication. Below are some of the key things to remember to make your wife feel acknowledged and, ultimately, have a happy marriage. Communication IS the key to a successful marriage, and you should not take that lightly. Knowing how to speak and listen to your wife spells the difference between eternal happiness and being back on the market.
