

## Freya Gets Taken in Hand (Fantasy Guild Series Book 3)

No corporate spy craves capture like Freya. Freya offers herself up as the third volunteer in the Fantasy Guilds erotic group adventures. Her dream spy mission promises to be the sexiest yet when the powerful and dominant man known as Sir agrees to help take her in hand. Soon, Freya's fantasy begins and she's off to steal a dangerous prototype from a ruthless businessman. If she's caught, she knows he and his gang of hot henchmen won't rest until they've tortured every bit of intel from her helpless person, so she'd best not get taken, right? Er, maybe not. Warning -- Explicit language and sizzling sex scenes suitable only for adults. A sultry corporate spy struggles to keep her secrets from five lusty interrogators who know the best way to loosen a woman's tongue is to drive her mad with pleasure.
