

Getting dumped for her best friend marks a low point in Tiffany Barlow's life, and the break-up does more than shake her confidence. A few hurtful words from her ex are enough to leave her wondering if, as a plus-sized woman, she's too big for anyone to want as a submissive. After moving across the country with the aim of starting over, Tiffany is determined to get in shape and begin a new life. As far as Lance Sawyer is concerned, the full-figured girl who shows up for a trial membership at his gym is the most beautiful woman he's ever seen. When Tiffany leaves in a snit after a misunderstanding, he's determined to make things right, and he offers her his services as a personal trainer. But this will be a very special form of training... Lance is no stranger to the age play lifestyle, and in Tiffany he sees a girl with a deep need for total submission. But first she'll have to get past her misconceptions about her weight, recognize her true beauty, and discover what it really means to be a little. Can Nick's loving care and strict discipline teach Tiffany that she can be big, beautiful, and little? Publisher's Note: Big Beautiful Little is an erotic romance novel that includes spankings, sexual scenes, anal play, age play, medical play, and more.
