

## No Other Lover Book 2

No Other Lover is the second book of the series, written in the delicious and sensual style of Natalie Wild. Nina takes a chance on another rendezvous with Victor. He takes her fantasy even further, but will it last? Nina calls Victor and arranges to meet him for lunch. Before they can even order, other passions take over, and once again they return to his bed. Nina is able to shed some of her inhibitions and do things that she never dared. In a moment of honesty, she tells Victor that she wants to escape, and he spirits her off to his private lake house. They spend several days together in a state of bliss, but a business matter calls Victor back to the city. Nina, shaken by the anger she witnesses when Victor is on the phone with his office, wonders if her luck is about to run out because she failed to tell him everything of who she is. Victor nearly has her mind at ease when they return to his penthouse to find her painting and Ray waiting. This ebook contains very hot and explicit descriptions of romantic activity.
