**A HIGHLAND CHIEFTAIN:** Recently freed from captivity in London Tower, Rae Mackinnon returns to the turbulent Highlands and claims his place as laird of Dunraven Castle. As he grapples with clan rivalries and divisiveness within his own family, he is confronted with a startling discovery—a beautiful woman from a distant future, delivered through the portals of Time and into his bed ...

**A VICTORIAN LADY:** Swept up in the summer social rounds, Julia Hargrove accompanies her aunt and cousins on an excursion to Scotland, to an ancient castle which has hosted no visitors for two decades—until now. Rumors abound of unusual occurrences at Dunraven Castle—occurrences that are centered in the bedchamber Julia now occupies, where a rugged Highland warrior materializes from the past ...

**DRAWN IRRESISTIBLY THROUGH THE PORTALS OF TIME:** What mysteries does Dunraven hold? What secret opens the temporal door, allowing Julia and Rae to reach across the centuries to claim a few stolen moments and nurture a blossoming love? But how long can the rules of Time be broken before the door shuts forevermore?
