

Cartoons:How to Draw Cartoon Faces (Cartooning with Fun!) (Volume 2)

Cartoons How to Draw Cartoon Faces
Have you been wanting to draw cartoon characters but dont really know where to start? This book was written with you in mind! It uses easy-to-follow instructions to help you bring your cartoon characters to life. The descriptions used are creative and relate to everyday objects to help you make more sense of drawing each step of the characters. Along with the written step-by-step instructions, there are pictures that follow each step. You will learn how to draw a young girl, an old woman, a young boy, an old man, a woman, and a man, each with their own characteristics and personality. Each of the steps is easy to replicate and you can change them up bit by bit to make them your own characters. The simple instructions are easy to relate to. The creative descriptions help understand how to draw the shapes and lines for the characters and their features. Each character has its own, unique details, but is still simple enough to be able to draw along with. Each character has its own design which can easily be adjusted to create what you want. With practice, youll soon find that you are able to draw these characters with ease! It wont take long before youre surprising yourself with each of your drawings. With the easy instructions and pictures to follow, you cant go wrong using this book to learn to draw cartoon characters!
