Saber Winter was running from her past when she meets Jess Calhoun, an ex-officer with the U.S. forces elite Navy Seals division who's now confined to a wheelchair. Jess had sensed that Saber was a lost soul, and he'd given her a job and a home, hoping that she'd be willing to stay and finally share her secrets with him. But Saber has been on the run a long time, and Jess may be in a wheelchair, but he's also a GhostWalker, and both of their pasts are about to collide in the present when secrets they're both hiding get uncovered, and both must deal with betrayal before they're free to find a future together.
