There's something tender, sacred and very special about family traditions. Some are inherited from past generations, and some are born within your own family. Either way, traditions create closeness and seal the ties that bind families together. In *Creating Family Traditions*, Gloria Gaither and Shirley Dobson share their own ideas that will help make meaningful, long-lasting memories throughout the years to come. It's packed with easy-to-do, fun-filled activities for holidays and special occasions through all the seasons of the year, and can be enjoyed by all, from toddlers to grandparents.
