

The Strange Case of Cavendish: Second Take (Illustrated) (Volume 1)

This classic novel is brought back to life with over 30 illustrations to captivate the reader. Dubbed An Erotic Western Thriller, the posthumous collaboration between a popular western romanticist and a modern-day book doctor has produced a new kind of book hybrid. This retold adventure pits a spirited New York newspaperwoman against a shyster lawyer, dangerous cowboys, and Mexican banditos -- with an assist by a strike-it-rich miner, a town marshal, and a kidnapped millionaire. A clever premise that promises to breathe new life into old tomes, notes Byron Rupert McCafferty, Online Critics Corner.
