

# Equus 2011 Wall Calendar

I began, as any photographer might, with a highly visual appreciation, but came to see that the issue I was examining was the very nature of what a horse has been and can be - (Tim Flach). From zebras grazing in Kenyas Masai Mara to mustangs thundering across the plains of Utah, renowned photographer Tim Flach has traveled the globe to capture the rich diversity and breathtaking beauty of the equine world. The stunning photographs in this unusual 16-month calendar, based on Flachs groundbreaking book Equus, are one mans artistic testament to the raw magnificence of nature. For more information about the artist and to learn more about the Equus project, please visit our associated website.
