

## Coach Gangbang (MMMM/m Gay First Time, College Erotica)

Coach Sloan has a problem. In order to motivate his players, who have managed to abstain from sex for the entire season, he has promised a huge party if they win the state championship game, complete with many women willing to do dirty things for money. Unfortunately, his hookers fall through, and Coach Sloan watches in horror as his team wins the game. Back in the locker room, the team, learning there's no party, decides to vent 4 months of sexual frustration on the person responsible: the coach! EXCERPT: He was turned around and harshly bent over the side of the table. They didn't even bother to pull his briefs down; they merely ripped a giant hole in the ass of them to provide access to his anal opening. He started to shake in fear as he felt a pair of rough hands move over the skin of his hairy ass cheeks. In all of his 53 years on the planet he had never had a single thought of any type of homosexual activity, but that didn't matter now, for the rest of the night he was gonna be a sex toy, and they were going to use him as such as they celebrated their victory, their championship. His hands were pulled to the middle of his back and tied there with a pair of his own player's football socks. He was secured tightly and he knew that he wasn't going anywhere anytime soon, and the coach again tried to dismiss realizing how amazingly turned on he was. He was sure the players had noticed, but hoped they couldn't see how hard he was. He heard and saw the men who made up the team that he himself had led to this moment. He watched as they started to get undressed. All around him he saw his players stripping off. Some of them were pulling off their jerseys, while others left them on, some left on their shoulder pads while others discarded them. Most of the guys stripped off their football uniform pants, and kicked their cleats off while some of them were content to simply pull their pants down to expose their

well-packed jockstraps. The coach looked around at the men who were preparing to use his rectum and mouth for their pleasure. He had guided many of these guys into manhood over the last four years, now that same manhood was going to be used on him. As he watched the guys of the team now in various states of undress, close in on him, he realized that he was about to be the recipient of every family line that was represented in the room. It was hot. Time to pay up, coach, and since I'm the quarterback, I guess I get my due first. Jason said as he slapped the ass of the coach through his ripped open underpants. He had already taken off his football pants and jersey. Now he stood there in his cleats and socks, his white undershirt and shoulder pads, and well-worn jockstrap, the pouch of which was heavy with his manhood. Please, Jason, be gentle, please, I'm begging you! the coach said. No way, coach. I worked my ass off all this fucking season, we all did. We gave our all to you, we busted our fucking balls to win this championship, and now we're gonna celebrate by busting our fucking nuts in your guts, coach! Jason said as two of the players held him down on the top of the table. The quarterback pulled the pouch of his jockstrap to the side and let his massive manhood hang free between his legs. His cock was nine inches long limp and hardened up to 11 inches and very thick when it was rock hard. WARNING: This 5800+ word erotic short story contains a championship football team enjoying their coach's virgin ass for the first time. He likes it too..
