

When young, plump, and untouched Sienna decides to take a dream vacation with her best gal pal... she never imagined all of the dirty deeds that were in store for her. While aboard the cruise ship, she encounters a mysterious, sexy military man -- one who invites her to a private little party... Where is asked to participate in a little known, but oh so naughty, Navy Seal game of seduction... Inexperienced Sienna finds herself being asked to do more than pin the tail on the donkey -- in fact, they want her to stick something far bigger, harder, and hotter in a much smaller, tighter, and wet spot... something shes never done before.
