

Following the familiar “Design Patterns” format, expert cloud developer Chris Moyer introduces proven patterns for cloud platforms from Amazon, Google, and other providers. Moyer demonstrates these patterns at work through extensive example code and case study applications for Amazon Web Services (AWS). As you increasingly move to the cloud, you’ll constantly encounter the challenges this book solves. You’ll rely on it for years—whenever you need a cloud solution you can trust.

America from the Air, Braiding Rugs: A Storey Country Wisdom Bulletin A-03, Activity recognition from smartphone sensing data: In Android environment, Python 101, Languages, Compilers, and Run-Time Systems for Scalable Computers: 5th International Workshop, LCR 2000 Rochester, NY, USA, May 25-27, 2000 Selected Papers (Lecture Notes in Computer Science), Sunset Over the Islands, Wacky Memes - The Funniest Collection of Jokes & Memes On The Internet,
