

Taking Control

Shh, be quiet, she said. I've always wanted to do this with you. Margaret is having a tough time, having just been dumped by her boyfriend. She invites Wally, who she's known forever, over to console her, and one thing leads to another. Now it's the next morning and he wants to pretend like nothing even happened but Margaret's having none of that. Using pieces of clothing to tie his wrists and ankles, Margaret teaches Wally a taboo little lesson one that's hard, unprotected, and will leave him walking funny for days! The sample I have is too explicit to put here, but you can read it if you click on the book to look inside! 7,300 words, 18+ only

Taking Control has 224 ratings and 10 reviews. Lady Raven RAVE! said: <http://> for readers BRIEF SUMMARY Melissa and Bruce Learn to choose how you respond to difficult circumstances, and take back the control you need to make positive changes in your work and life.
