

The Aspens Collection (The Aspen Series)

Revised and Re-Edited 8/26/2014 This is a collection of the FOUR books in the Aspen Series (now contains the newly released: The Aspens End): Under the Aspens: Sher was an everyday woman who owned a deli in Colorado until one day she found herself being followed and then attacked by an unknown man. And if that wasn't bad enough, the responding police officer was the man she left, without an explanation years ago. As they uncover evidence, the two got closer. But would they both survive long enough to see if their love for each other would last through time. The Aspens Fall: Brad woke up in the cabin of a beautiful nurse named Hannah. He had been hit on the head and didn't know the who or why behind it. As Hannah tried helping him, they ran into danger everywhere they went. Brad tried to keep Hannah and her two border collies safe. While Hannah helped get Brad back on his feet, she found herself not only in danger, but quickly falling in love with Brad. While bullets flew at every turn, Brad wondered if he and Hannah would live to cherish the new love they found in each other. Remember the Aspens: Lynn was on a mission for the perfect wedding dress and veil for her best friend. After she found exactly what she was looking for, she found herself almost abducted...not only once, but with two other attempts. She unwillingly put her friend's lives in danger as they tried to unravel the reason why. While trying to stay alive to find the answers she needed, she discovered a wonderful man who would die trying to save her. But she prayed it wouldn't come to that. The Aspens End: Sher and Glen were soon to wed. So were Brad, Sher's brother, and Hannah. Since Sher's best friend and Glen's best friend fell in love two months ago and also planned to wed, they all decided to have a triple wedding. That was until a week before the planned weddings, when Lynn was almost

abducted, twice. It was foiled once by Sher and then Brad jumped in to save Lynn the second time. Would anyone be around if there was a third time? Glen and Rick were with the police department and all but Lynn carried a gun most times. . With one woman already dead, it looked doubtful that Lynn would live to see her wedding day. Would Lynns fiancée and all their friends be able to save her? Would these three couples ever realize their dreams?
