

Theyre firefighters AND bikers? Twink Bobby has trouble sleeping. After watching his roommate getting slammed during a one night stand, hes left horny and unfulfilled. Luckily for him, massively endowed firefighter Lance is also bored online. One thing leads to another and hes soon on all fours and begging for it. He doesnt have to wait long, either. Hes invited to the private clubhouse, where he also meets blonde stud Gunnar... Almost five thousand throbbing, pulsing, spasming words of fantasy fulfillment. If well-hung hunks having their way with a willing young twink isnt your thing, move on!
