

Teased By Twin Stepbears (Steamy Werebear Shifter Menage Taboo Paranormal Romance)

Both of you... At the same time? Lilah has a clever plan to reconnect with her stepbear Brent. All she needs is to get him alone on the night of the full moon, and thats as easy as inviting him over to watch the game. Theres only one problem... Brent has invited Riley to their private little party, and with the moon on the rise, theres no way they will be able to control themselves. Worse yet, the longer Lilah sits between them, the less she wants them to. With the heat on the rise, Lilah realizes the truth. She wants them... Both of them! After all, its not every day a woman gets a chance to be teased and taken by stepbears!
