

Met by Chance (Triple Countess series)

There's more to this man than satin and lace. The third book in the Triple Countess series. After a serious riding accident, Perdita Garland is back in society. Unfortunately the first man who catches her interest, Charles Dalton, Marquis of Petherbridge, turns out to be a popinjay with a spoiled daughter in tow. And his equally spoiled sister is flirting with the same fortune-hunting suitor who almost cost Perdita her life. What's a lady to do? Warn the marquis of the danger, of course. Charles knows that English society finds his manners and dress astonishing, but they cover a man broken by a disastrous marriage to a faithless wife. Now a widowed father determined not to be fooled again, he is nevertheless charmed by Perdita and the steely strength of will under her fragile exterior. If only the lady would mind her own business. But when his impulsive sister elopes and kidnaps his daughter, he finds himself wishing he had listened to the little busybody. And Perdita, feeling partly responsible for the disaster, boldly sets out to help him put things right. Alone in a strange city with his lordship, plunged into danger, Perdita discovers there is more than meets the eye under the pampered skin of the marquis. There is strength, power and passion beyond her wildest dreams.
