

Michael Turners Soulfire Volume 2: Dragon Fall

The Dark Lord Rainier has been defeated, and Malikai the Samusara set forth the return of the light. Yet, the return of magic has created problems across the globe, as Grace attempts to bring order to a world devoid of magic for thousands of years. Meanwhile, Rainier, in his endless crusade to rid the world of magic and all that it encompasses, decides the only way to extinguish the light is by fusing both technology and magic in horrific fashion with terrifying results! Collecting the sold-out Zero issue, as well as issues #1 through #9, plus the rare 10-page Sonia story from Aspen Seasons Winter and the 20-page Resurgence story previously only available in the Soulfire: New World Order mini-series, this is 296-pages of everything Soulfire! And if that's not enough, included is a complete cover gallery featuring artwork by the likes of Joe Benitez, Randy Green, Nick Bradshaw, and Soulfire creator Michael Turner!
