

The Encounter (Michelle's Massage Book 1)

If you're in the mood for romantic erotica, you'll LOVE this book! Beautifully written and laced with words that every woman should hear everyday. -Kat.L (Smashwords user) An excellent story! Its very well written and has a fabulous slow sensual build up as it progresses. Deeply erotic and emotional the storyline works very well. Bravo! -Buz (Lush Stories user) Its been a nightmare of a week, and the promise of a massage at the end is the only thing that's keeping Michelle going. When she arrives at the massage parlor, though, she finds that her usual therapist, Amanda, has been replaced by Raul, a Hispanic masseur with the body of a god, a voice like chili-infused chocolate, and a truly masterful gift for touch. But Raul's hands don't just loosen her knots, they set her heart racing, and Michelle finds herself in the middle of a much more thorough and intimate massage than she had expected.
