

# Mickey Mouse: The Evolution, The Legend, The Phenomenon!

From the authors who brought you Disneyana and The Mickey Mouse Watch comes a fascinating, fun-filled look at an international icon. Since his film debut in Steamboat Willie on November 18, 1928, Mickey Mouse's star has continued to rise, reaching his modern status as a worldwide cultural icon. His mysterious impish mouse-magic and happy-go-lucky charm promise to carry us with jubilation into the 21st century. Mickey Mouse: The Evolution, The Legend, the Phenomenon takes a concentrated look at this still-mischievous, but wholly likable adventure -- all in all, a mature cartoon figure.
