

Beloved by millions, this timeless classic holds the key to all you desire and everything you wish to accomplish. This is the book that reveals the secret to personal wealth. The Richest Man in Babylon is a book by George Samuel Clason which dispenses financial advice through a collection of parables set in ancient Babylon. Through their experiences in business and managing household finance, the characters in the parables learn simple lessons in financial wisdom. Originally a series of separate informational pamphlets distributed by banks and insurance companies, the pamphlets were bound together and published in book form in 1926.
