

Pisces #1

Former fighter pilot Dillon Carpenter found everything he wanted when he returned from the Vietnam War. A loving partner, a dream career training with NASA to travel through space, and soon, he will learn, a prime candidacy for a secret mission, one that will forever change the world: First Contact. But as Dillon prepares, his war trauma returns and he's haunted by dark visions of his future. There is but one constant; the voice whispering from the stars. A sci-fi psychological body horror series from the writer of *RAT QUEENS* and the artist of *SHELTERED*.
