

## My Fertile Intern

Ill do anything for this job, Mr. Morris. But it has to be our little secret... An ordinary day in the office turns very interesting when a sweet, young girl named Dana decides to stop in to try to get a job. Shes perfect: toned body, tanned skin and an innocence that has me squirming in my seat. And it isnt long before it becomes clear just how badly she wants the job. It seems like shes willing to do just about anything for it. Shell even let me have my way with her using no protection whatsoever. Now tell me how in the hell am I supposed to turn down an offer like that? This 6,000-word taboo erotica short story features a very fertile young woman enjoying her time with a muscular and powerful older man.
