Lisette is a vampire who has lived with her succubus girlfriend, Cassandra, for a long time. She swore off relationships with men after being viciously raped by the vampire hunters who killed the love of her life and left her for dead. Lisette and Cassandra only use men to get what they need, blood for Lisette and sexual energy for Cassandra. They are completely satisfied with their lives- until a mysterious stranger comes along. For the first time in centuries, Lisette wants a man. Why is she so drawn to him? What is he? Much more than a mere mortal, Gabriel has been searching for Lisette and Cassandra for a very long time. They have what no one else can give him. But will they be willing? Warning: erotica intended for those 18 and older only. Contains m/f, f/f, f/f/m, and m/m/f scenes.
