

## Redeeming Vows (MacCoinnich Time Travels Book 3)

For her own safety, modern day, single mom, Lizzy McAllister is forced to bow to the medieval men who surround her when she's thrust back in time to the sixteenth century against her will. When Lizzy finds herself trapped in time with Fin, the one man she finds both irresistible and maddening, she agrees to combine forces with him to rid Scotland of the evil witch, Grainna. Finlay MacCoinnich's attraction to Lizzy sizzles the very air they breathe. Tearing down the solid walls the woman has built around her won't be easy, but he's willing to do anything to keep her by his side. When a spell cast by their deadliest foe throws them forward in time, will they manage to find their way back in time to save their family from peril? And will Lizzy willingly stay in his time, or abandon him altogether?
