

Riding the Ether (The Lakeland Trilogy)

Cassandra Larkin keeps her ravenous and dangerous sexual appetite secret until she seduces Anderson in the mysterious void of the Ether. Anderson is the sexy, insatiable ghost who can give her exactly what she needs. But sex is dangerous in a place like the Ether... When the treacherous demon, Deacon, discovers the truth about the origin of Cassandra's powerful lust, he plots to use her sex magic for revenge on Tara Stone and the Elemental Coven, who practice their own brand of sex magic. Cassandra must embrace the lust and sexuality she fears and learn to use its power. Will she stand with Anderson, Tara, and the Elemental Coven against Deacon's wrath or suffer the loss of friendship, magic and love? K D Grace is the author of *The Initiation of Ms Holly*. Born in north America, she now lives in Surrey with her husband. She is passionate about nature, writing, and sex not necessarily in that order. She enjoys Chinese martial arts, frightening attempts to learn piano, long distance walking and extreme vegetable gardening. Her erotica is published with Xcite Books, Black Lace, Erotic Review, Cleis Press, and others.
