

## Safeword: Davenport

Dana has never submitted to anyone but her husband -- he trained her, taught her to submit. Hes been dead a year and a half though, and shes beginning to consider the possibility of dating again. She sticks to vanilla at first, but quickly realizes shes going to need more. As shes considering the idea of finding someone who would enjoy hurting her without requiring her submission, her life is complicated by a Dom who pushes all of her buttons. Safeword: Davenport is the first half of Danas story, its the personal part of her journey, and has a Happy for Now ending. You can read the rest of her story in Safewords: Davenport and Chiffon. Warning: This title contains graphic language, consensual BDSM, bondage, intense sensory deprivation, extreme electrical play, enemas, and the use of toys including clamps, canes, plugs, cages, paddles, whips, and floggers.
