

Princes of Charming (Naughty Fairy Tales)

Drusilla has been hired to find a society bride for the young heir to the Charmings Chocolate fortune. Unfortunately, someones made a mistake, for Dru is no demure, widowed matchmaker. As Madame Pantoufle, she manages a secret club in Victorian London, where she administers punishment to wealthy, aristocratic clientele. But a case of mistaken identity is not her only problem. Her new client has no intent to marry, and his scandalous, long-exiled father has just returned to cause trouble for everyone involved in this matchmaking scheme. Brandon Wilder, absent from his sons life more than twenty years, is coming home to right a few wrongs, and the tightly-corseted matchmaker isnt going to distract him from his own mission. Even if her dark eyes, like her little notebook, are full of secrets. Even if he happens to know she owes him something. Its about to strike midnight. Hold on to your bloomers.
