

Hunted: An Erotic Romance (The Phoenix) (Volume 3)

Once upon a time, two partners built a wildly successful private BDSM club called The Plume, a place where every erotic fantasy could safely come true. When The Plume was destroyed and its members scattered, the partners decided not just to begin again but to improve on the original. Welcome to The Phoenix, an international private BDSM club, risen from the ashes of The Plume. Once again, all erotic fantasies are possible and secret desires can be fulfilled. III - Hunted Shara has always dreamed of being hunted by three men of her choice, and used by the captor for his pleasure. As a birthday present to herself, she arranges to have her fantasy fulfilled on the private Caribbean island run by The Phoenix. But Shara isn't counting on the fantasies of the men she's selected, much less that each will interpret the rules in his own way. The game begins early and may continue long after the official hunt is over.
