

A Taylor Made Mine: The Taylor Made Series (The Taylor Made Mine Book 3)

The truth will out. My Names Kiera Fox, the proud submissive to my University Art Tutor and my Dominant lover, Taylor Holloway. I never thought for one second I would fall in love with someone whilst at university, let alone my tutor. I was a fragile, confused mess, hiding behind an image of a vanilla girl living a vanilla life, but when I met Taylor he opened a door to a dark and sinister desire I didnt realise I had. We have come so far in our yearlong affair, most of which was spent in the bedroom learning the true mean of punished and reward administered my Master. For a relationship that should have been built on trust and honesty, it was based on secrets and lies. That is until Taylor gave me the ultimate gift. A switch in roles proving his trust and loyalty to me. I am now stronger both physically and mentally, and I am ready to fight back. It is time to face the terror head on and let the secrets spill from the bag even if it breaks me. I am ready to bring down those who try to stop Taylor and I being together, and Im more than ready to embrace the darkness within me. And should I survive, then there will only be one question left to answer, will Taylor ever truly be mine?
