

The Ultimate Icebreaker

In this installment of the Dreams of Control series, a brilliant but awkward college student discovers the Holy Grail of men everywhere: a harmless, undetectable drug that makes women want sex as badly as men do. He and his handsome roommate give the drug a field trial during a little party in their dorm room. Chloe, Susan and Hui Zhong are excellent test subjects and the initial results are promising... very promising. But as he finds out, a bitch who wants sex bad... is still a bitch! (Erotic Mind Control, Maledom, Menage / Threesome)
