

Cat Page-A-Day Gallery Calendar 2008

Revel in the mystique and graceful beauty of the cat. The striking gaze of a Siamese. A white kitten against a white background. A black cat captured in a slant of light. A Maine coon, fluffy and decidedly ruffled. The texture of a tongue, the soft curve of an ear, eyes that shine. Featuring hundreds of beautifully composed and reproduced portraits in both black-and-white and color this calendar is a stunning tribute to the cat, its independent spirit and singular charms.
