

The Alphas Secret (Billionaire BBW Paranormal Shifter Fertile Romance)

Tina's life is small and boring in the small town she calls home. The only interesting thing about it is Braden Jackson, the enigmatic billionaire whose family's ancestral home lies on its outskirts. When she gets called in for a special home care assignment complete with a confidentiality agreement at the Jackson ranch, she's thrilled to meet him at last. Braden Jackson is rugged, powerful, and intensely charismatic. But what happens when she catches a glimpse of something much more primal in his gaze? Can he hold back his deeply instinctual desires, or will Tina discover his secret hard and without protection? Note- Previously under Sierra Wolf
