Excerpt from The Heavenly Arcana, Vol. 3: Disclosed Which Are in the Sacred Scripture or Word of the Lord; Here, Those Which Are in Genesis Together With Wonderful Things Seen in the World of Spirits and the Heaven of Angels¹³⁸³. Among the wonderful things in the other life are perceptions, of which there are two kinds. One, that of angels, consists in perceiving what is true and good, and what is from the Lord and what from themselves; and also in perceiving the source and quality of their thoughts, words, and actions, when these proceed from themselves. The other kind is common to all, to angels in the highest perfection, and to spirits according to their respective qualities, and consists in knowing what another is as soon as he comes near.¹³⁸⁴. As regards the first kind of perception, which is that of angels, by which they perceive what is true and good, also what is from the Lord and what from self; also the source and quality of their thoughts, words, and actions, when they proceed from themselves - it has been granted me to converse with sons of the Most Ancient Church concerning their perception.
