

## VOID An Erotic Romance Novel

Emotions play an important role in how we think and behave. Our emotions are composed by how we experience them, how our bodies react to them, and how we act in response to them. Nicola Forbes was born with a condition that leaves her with the inability to express or recognize emotions. It is only through countless years of therapy and repetition, that she can acknowledge some signs of emotions in other people. Being an emotional blank canvas has Nicola seeking out the only thing she does feel pleasure. One of the highest paid escorts in New York City, she seeks solace through physical intimacy with her clients like it is a drug that she needs to survive. Andris Gunn, a psychiatrist with his own mental issues, lives a secret life in order to deal with his inner demons. Unbeknownst to him, he engages one of his patients into his secret world of ecstasy, desire, and physical pleasure that is the only thing to placate his own inner turmoil. The trigger that Nicola and her doctors have been searching for nearly her whole life the catalyst to ignite feelings within her has sparked. VOID is an erotic romance novel about seeking emotional barriers and tearing them down. It is a tale of deceit, betrayal, and lies, but even in the darkest of times, love will find a way. I AM AN ESCORT. I screw men and get screwed for money, living my life everyday as Jericho Lane. My clientele list is immaculate. I am sought out, demanded and damn good at my job. I don't care that these men have families at home, or that they are important people. I do it for the money. to survive. There is nothing that could make me feel a bit of remorse or concern about what I do because I was born with the inability to experience or feel emotions... I don't feel PAIN I don't feel SORROW. I don't feel extreme HAPPINESS or LOVE I am VOID. A blank canvas of emotions. An empty hole in an endless sea of circumstances, moods

and relationships. Until one client changes EVERYTHING. This Erotic Romance Novel by Cassy Roop is a full-length novel at approximately 83,000 words. Intended for mature audiences only.
