

Wicked Neighbor

Charlotte lives next door to a man of sin. Nearly every day she watches a new woman leave his house, looking satisfied. Bryan makes her nervous though. She doesn't know what to say to him when he does talk. Bryan is curious about his mousy little neighbor. He likes to watch her blush but that's it. She was the kind of woman to demand exclusivity and that's one thing he doesn't do. However, one night while on a date, he discovers a side to Charlotte she didn't even know. It's not long before the only woman he can think about is Charlotte. Their affair at first remains between them but it's not long before Bryan needs more, he wants all of her. Can Charlotte give in to her wicked neighbor's demands? Is there any way to trust him? Can two unlikely people find love?

Except for Feyespers favorite soup, caldo de arroz, that Mrs. Ayebeeb promised to prepare for him, there was nothing exciting to look forward to.
